**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because I was sick and tired of AT&T's internet. I had DSL before and their service was unreliable and slow. I live in San Francisco, and their excuse was because I live at the end of their lines.

I am a consumer who supports broadband competition.

I am extremely happy with my internet with Sonic now. Gigabit fiber has exceeded my expectations. I believe local broadband providers should have a say in this.
